
The Seasonal *Savings* List

Look gently at the season ahead - and notice what may deserve room now.

What May Be Coming

Look at the next three to six months. List only what is known or likely. Rounded figures or ranges are enough.

LOOK-AHEAD PERIOD / FROM - TO

CURRENCY

Home Maintenance

Repairs, upkeep or replacements that may need attention in the months ahead.

WHAT	WHEN	GENTLE ESTIMATE

Life

Personal, household or family costs that are known or reasonably likely.

WHAT	WHEN	GENTLE ESTIMATE

Work and Growth

Training, tools or development that genuinely belongs in the season ahead.

WHAT	WHEN	GENTLE ESTIMATE

Pleasure

Travel, gatherings, experiences or something lovely you want to make room for.

WHAT	WHEN	GENTLE ESTIMATE

Nothing on this list needs an immediate plan. Its first purpose is simply to become visible.

What Deserves Room Now?

Return to your list and choose no more than one or two expenses you would like to prepare for now. Name them gently; a full savings plan is not needed here.
